

THE SUSTAINABLE
WASTEWATER TREATMENT
SYSTEM THAT PROTECTS YOUR
PROPERTY AND OUR PLANET

ECOFLO[®]

ECOFLO IS HOW WE MAKE A SUSTAINABLE DIFFERENCE. TOGETHER.

Join us in the movement to make the world a better, more sustainable place. Protect your family and the environment by choosing Ecoflo, the most eco-responsible treatment system available on the market.

TREATMENT WITHOUT ENERGY CONSUMPTION!

INSTALLED FOR LIFE

- easy maintenance
- never needs to be removed or replaced
- no visual impact on the landscape

PEACE OF MIND

- 24/7 autonomous operation
- never clogs or contaminates the soil
- hassle free warranty

COMPACT AND DISCREET

- up to 50% smaller than traditional systems
- blends into your landscape
- odourless

BEST LONG-TERM INVESTMENT

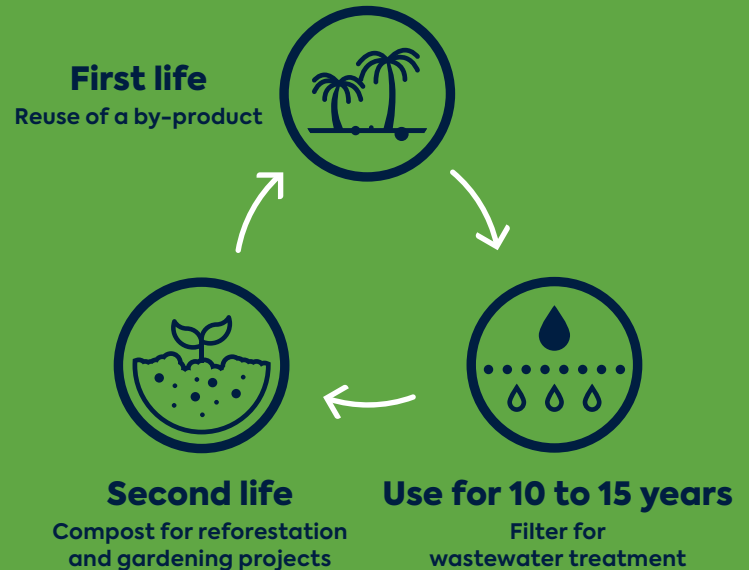

- adds value to your property
- no energy costs for wastewater treatment
- no high-priced repairs or hidden costs
- no need to replace the complete system

OPTIONS TERTIARY TREATMENT

- UV disinfection
- Nitrogen reduction

NATURAL, RENEWABLE AND COMPOSTABLE

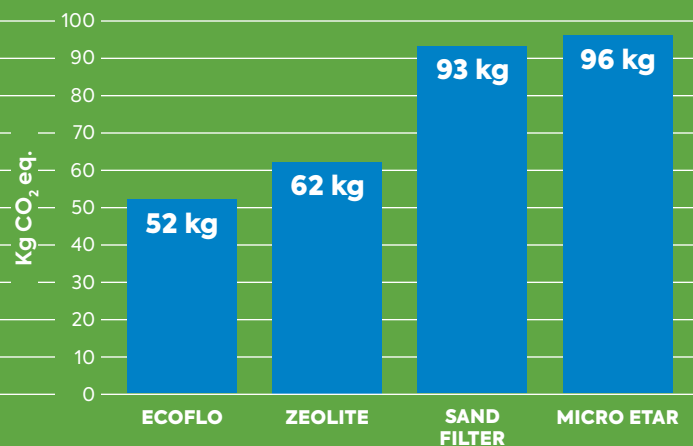

Ecoflo uses a filter made of coconut husks fragments, a recyclable by-product that is ideal for removing pollutant loads from wastewater. The coconut fragments used are 100% compostable.

THE LOWEST CARBON FOOTPRINT

From production and shipping to installation, maintenance, and usage, the Ecoflo biofilter has the lowest carbon footprint of any comparable product on the market – how numbers can prove.

Life cycle impact

Notes:

- Based on analysis of septic installations in France
- Systems for 5 PE homes
- Distances between installations and required materials assumed to be 60 km for filtration sand and stone, 33 km for backfill.

HASSLE FREE WARRANTY

- Polyethylene tanks
- Coconut filters
- Components and replacement pieces
- Whenever the correct installation of the equipment and maintenance carried out by certified teams is guaranteed

YEARLY MAINTENANCE

We have our own teams and a network of installers, trained by us to maximize the lifetime of your Ecoflo system.

GUARANTEED INCOME

By replacing the coconut filter on your Ecoflo every 10 to 15 years, you ensure that your treatment system continues to protect your property and the environment.

MAKING A DIFFERENCE FOR WATER AND THE ENVIRONMENT

At Premier Tech, People and Technologies connect in lasting, transformative ways, giving life to products and services that help feed, protect, and improve our world.

Our teams of specialists are constantly innovating, redefining the limits of the possible through effective, efficient and sustainable solutions. Driven by a shared passion, we are committed to protecting our resources for the future.
